

SWEET CHEEKS WINERY & VINEYARD

Our passion is to create wines that reflect the beauty surrounding us in the Willamette Valley. We believe in producing exceptional wines through gentle processing. Each vintage is unique and we invite you to experience it.

Established as a vineyard in 1978, the 55 acre estate vineyard sits on 140 acres of prime sloping hillside in the Southern Willamette Valley wine appellation.

2014 RESERVE PINOT GRIS

WINEMAKER'S
NOTES

Half of the juice was fermented in a stainless steel tank, while the other half was fermented in French oak barrels and aged for seven months; some malolactic fermentation was allowed to occur. The juices were blended together creating a wine with excellent texture and complexity. Our 2014 Reserve Pinot Gris has lifted aromas of orange blossom, lemon zest and beautiful mineral notes. It is the perfect choice with fish, poultry, salad and mild cheeses.
