WINE ANALYSIS : pH : 3.61 | TA : 6.1 g/L | Alcohol : 12.8%

TASTING NOTES

Our 2014 Pinot Fusion is a proprietary blend of Pinot Noir, Merlot and Syrah. The nose opens with light suggestions of a forest floor of ferns after the first autumn rain. After which, the palate breaks into a wide display of raspberry jam, freshly cut pomegranate and a hint of cloves. Unique and fun, this warm-spirited blend livens any occasion.

2014 HARVEST OVERVIEW

2014 was a truly spectacular vintage in Oregon. Bud break was almost two weeks earlier than previous years, there was little concern of frost in the spring and the larger region saw very little rain during harvest, which all contributed to make this season perfectly exceptional. The vintage boasts both high quality and high quantity on the vine – a perfect combination – with intense fruitfulness and aromatics. The 2014 vintage was one of the driest and the warmest on record for each of Oregon’s growing regions, and the ideal growing conditions led to above average yields that went on to produce some of Oregon’s most exceptional wines yet.

SWEET CHEEKS WINERY & VINEYARD

Our passion is to create wines that reflect the beauty surrounding us in the Southern Willamette Valley. We believe in producing exceptional wines through gentle processing. Each vintage is unique and we invite you to experience it.

.....

Established as a vineyard in 1978, the 55 acre estate vineyard sits on 140 acres of prime sloping hillside in the Southern region of the Willamette Valley wine appellation.
