### TASTING NOTES

A deep garnet red in color with beautifully complex layers of aromas and flavors. Pomegranate and vanilla on the nose invite you in for a sip and smooth flavors of blackberry, coffee bean and cocoa nib wash over your palate. Mid palate notes of raspberries and marionberry jam delight the senses. Finally a lively finish of fresh strawberries and a gentle hint of acidity join together to round out this incredible red.

### PAIRING SUGGESTIONS

- Braised Short Ribs
- Flourless Chocolate Cake
- Stuffed Mushrooms with Sage

### 2019 HARVEST OVERVIEW

A classic Oregon harvest, the 2019 growing season was compressed with more weather events and cooler temperatures than in recent years. An early spring allowed our fruit to ripen just in time for heavy rain in September and October. The fruit that came off the vine was high quality and clean with great acid retention for a beautiful 2019 vintage. - Oregon Wine Board
