

2019 Rosy Cheeks

Sweet Club Exclusive

TASTING NOTES

With a peach hue and aromas of pomelo and strawberry, Rosy Cheeks is a delightful expression of a semi-sweet rosé. It is a flavorful blend of juice pressed from white grape varieties and saignée-method red wine juice of Pinot Noir, Syrah, and Tempranillo. This wine expresses a great balance between sweet and tart flavors with a perfectly crisp, mouthwatering finish.

HARVEST OVERVIEW

A classic Oregon harvest, the 2019 growing season was compressed with more weather events and cooler temperatures than in recent years. An early spring allowed our fruit to ripen just in time for heavy rain in September and October. The fruit that came off the vine was high quality and clean with great acid retention for a beautiful 2019 vintage.
