# 2021 PINOT GRIS

willamette valley

EST. 2005

ORANGE PEEL & PEAR *with a hint of APPLE*

## THE VINEYARD

Dry farmed and practicing organic | South Willamette Valley  
Estate grown and hand-harvested. Elevations range from 720 - 750 feet. Willakenzie Soil.

## THE HARVEST

Our 2021 Pinot Gris was fermented for seven months in stainless steel tanks at a low temperature to preserve aromatics and create complexity.

## THE VINTAGE

The 2021 harvest started out on the cool side, but stayed dry. We experienced a roller coaster of cool and heat waves in May and June. The remainder of the growing season was warmer than average, allowing us to harvest in mid-September.

## THE WINE

"Our 2021 Pinot Gris captures the heart of the South Willamette Valley and the nuances of the varietal. One of the most important aspects for me with a Pinot Gris is the acidity, and making sure the wine remains well balanced."

- Leo Gabica, Winemaker
