THE VINEYARD

Estate grown and hand-harvested. Elevations range from 720 - 750
feet. Willakenzie Soil.

THE HARVEST

Our 2022 Pinot Gris was fermented for seven months in stainless steel
tanks at a low temperature to preserve aromatics. We partnered with
Stroda Vineyards to add an additional level of complexity to the flavor
profile.

THE VINTAGE

The 2022 harvest began with a very cold and wet spring. The summer
was warm and dry, with a short rain episode in September, a beautiful
October followed.

“Our 2022 Pinot Gris has a vibrant acidity and a balanced
fruit-forward profile. We really enjoy the flavor profile with
this blend of our vineyard site, and Stroda Vineyards of
Monroe - both South Willamette Valley vineyard sites.”
