THE HARVEST

Pressed whole cluster. 100% stainless steel with a long cool ferment in order to preserve aromatics.

THE VINTAGE

The 2023 harvest was delayed with bud break taking place a few weeks later than usual, but a warm and dry summer allowed the fruit to have an extended hang-time, developing a beautiful flavor profile.

"This is my go-to brunch wine. It pairs with both sweet and savory dishes, and specifically a dish with spice. Our Riesling block is the lowest in elevation at 720 feet, and captures the classic aromas and flavor profile of this varietal. The acidity allows for the wine to be balanced as a semi-sweet wine."
