

A map of the United States where states are color-coded based on shipping policies. Most states are dark green, indicating they can ship to. A few states are light gray, indicating they cannot ship to. Two states, Kentucky (KY) and Arkansas (AR), are orange, indicating they have no online sales or dry areas. The legend in the bottom right corner explains these categories.

States we can ship to

States we cannot ship to

States with no online sales or dry areas

States We Can Ship To:

Arkansas & Rhode Island (no online sales, must be a visiting guest)
Kentucky (must confirm prior to shipment you are not shipping to a “dry” area)

What if the state I want to ship to isn't listed, but I know it is legal to ship there?
Please e-mail jessica@sweetcheekswinery.com to let us know you are interested in shipping to a particular state.
